Shrine of
Our Mother of Perpetual Help

We have learned to perform our duty as Christians dedicated to all that makes Christianity what it is.

We beg our Mother of Perpetual Help to enlighten us with her wisdom and to obtain for us fortitude to put into Christian actions these principles and ideals which have been placed before us by our teachers.

ROCK'S GOT WHAT IT TAKES!

Thanks to the co-operation of the team members and with the constant encouragement and supervision of our coach, Miss Coppinger, our school stands victorious as the champions of the volleyball varsities of the surrounding private high schools.

But we will not react as proud victorians, boasting of our athletic skills, but will uphold the old slogan, "May the best team win."

In the coming years we will continue to demonstrate our skills to the best of our ability.

The Student Council is the student government of the school. It sees, throughout the school year, that the students live up to the duty they owe in keeping the regulations and principles of their school.

Rocket Queen

Barbara Lo Grasso reigned as Rocket Queen at the Rocket Rhapsody on October 2, 1959. The Queen's homeroom, 103, backed her up all the way by selling subscriptions and patrons to the school paper. Each homeroom elects a candidate and the candidate from the homeroom which brings the greatest amount of money is crowned queen.
